SCIENCE FAIR

This yearbook has been the project of the National Junior Honor Society of Winslow Junior High School. We hope that in the future it will bring back many happy memories of these years--- of the many friends you have made and the teachers who have helped you. We have included some of the things you did just for fun. We wish to thank Mr. Orr, Mr. Sterr, and George Higginson for the photography, the Honor Society members who helped with the cookie sale and dance to raise money, Mrs. Renfro for typing, and Mr. Curtis who gave his permission and encouragement.
